Open Evening for Year 7 intake September 2018 – Thursday 5 October 2017

We are looking for a number of Year 8 students to act as guides on open evening. If your son/daughter would be interested in helping please ask them to speak to their Head of House.

Please note the school will be finishing at an earlier time of 2pm on 5 October for Open Evening preparations.

Chain Messages

It's been brought to our attention that students have been involved in sending chain messages via social media. Some students have been upset by what these messages have stated will happen should they not send them on. Please do check your son's/daughter's social media and encourage them not to take part in sending these on to friends.

Maths Packs

We have a small number of Maths Packs still available at £7.00, payable via Parentpay.

Critical Incidents

Earlier this week staff underwent training on what to do in a Critical Incident, for example if we had an intruder in the school. Our primary concern is to keep our students safe. Over the next few weeks tutors will be speaking sensitively to their tutor groups about how we would manage a critical incident in the school. This is to ensure that we have all considered this situation rather than causing alarm.

Facebook

We recognise that when images of school life and events are shared on public forums such as Facebook, followers may choose to comment both positively and negatively. However, this message is to make it clear that we will not respond to comments made on Facebook. Please follow the school systems and contact your child's tutor, or the appropriate person at the school, if you wish us to respond and do our best to resolve your concerns.

School Menu

Please find our lunch menu for the week ahead attached.
