

1 July 2016

Dear Parents/Carers

As you may be aware the National Union of Teachers have called a national strike for their members on Tuesday 5 July 2016.

It is impossible for the school to predict how many members of staff will heed this call, but in line with our wish to provide the most comprehensive education we can to our students we intend to remain open on that day. You should realise that it is likely that there will be some disruption to your son's/daughter's lessons that day. If their teacher is absent your child will be supervised by another member of staff, but will not be taught in that period. At that point our sole concern will be to ensure that your child is safe.

I hope that you will understand that we are doing the best we can under the circumstances, and that we will continue to enjoy your support.

Yours faithfully
