Dear Parents/Carers

After the May half-term, students will be shown videos from the [FixUp Online Academy](#) “Exam Ready Countdown” course. These are short videos that will be shown in tutor time, aimed to motivate students to achieve exam success.

As this has been funded by Make Happen, in return they ask for students in Years 9 and 10 to complete a survey. This survey asks for students to provide information such as their name, postcode and date of birth. The students do not have to provide this information if they do not wish. I have attached the Make Happen privacy notice and a copy of the survey for reference.

If you have any questions, please email me: daniel.griffiths@notleyhigh.com

Yours faithfully
