

## **Weekly Student Bulletin for Braintree Sixth Form Students Friday 14<sup>th</sup> July 2023**

Dear BSF Students,

This has been a week which has made Ms Brewis Shephard and I hugely proud to lead this sixth form. Many of you came in to help us run the Induction Day and your presence in group sessions and in the informal Café sessions really helped the day to run smoothly and create the friendly welcome that we wanted. All week, you have conducted yourselves with the maturity we have come to expect and gave a really positive impression of Braintree Sixth Form. On Wednesday, many of you helped out with Sports Day and I have been told you were excellent role models for the lower school. We also held our end of year BBQ on Wednesday. This is always an event we enjoy as staff, but I can honestly say that you are the politest students we have ever barbequed for! We would like to thank you for continuing to be fantastic students and making it a pleasure to work here.

### **Meetings with me**

I have really enjoyed having the opportunity to meet with students in Year 12. I only have a few of you left to see so please make sure you are checking your emails to see when your appointment is. If you have missed your appointment, please come and see me as soon as possible.

### **Pride Picnic**

To celebrate Pride month which took place in June, there will be a Pride Picnic on the top field at lunch time (13.35-2.15pm) on Monday 17th July. This is for everyone – a chance to show your support, enjoy your lunch with friends and come and chat to some staff and Sixth Form students. Bring your own lunch and join us on the field. There will also be colourful ice-lollies/cakes to purchase in the cafe.

There will be some year 13 students coming back to support with set up who have stickers, wrist bands, badges, and face paints to give out. If any year 12 students would like to help with the set up and be involved, please let Ms Brewis-Shephard know.

### **EPQ Tuesday 18th**

A reminder that there will be an EPQ session at 9.10am in room 209. There will be no assembly on this day.

### **Last day of Term**

Term ends on Thursday 20<sup>th</sup> July at 1pm. Revised lesson times are below. As you can see, the time for tutor period has been extended; tutors will be doing two one-to-ones that day instead of the usual one.
