

Weekly Student Bulletin for Braintree Sixth Form Students Friday 28th April 2023

Dear BSF Students,

It has been another productive week in the sixth form with lessons, revision, tutor activities, individual tutorials and independent study. I hope that you are looking forward to your long weekend and make the most of your bank holiday Monday.

Subject ambassadors and Prefects

It was lovely to be able to speak to you all this week. Subject staff have been emailed to confirm the ambassadors for their subject and these students can now begin to take on this role and work closely with the subject department. The prospective Head and Deputy Head prefects will give a speech to myself and Miss Ryan next week on Wednesday and Thursday, and then all other prefect roles will be decided from there. I am really looking forward to working with the new team of year 12 students and beginning to hear your feedback and ideas in more detail.

Assembly Tuesday 2nd May

There will be an assembly taking place next Tuesday for all year students. It will be delivered by Aim apprenticeships and will include information about higher and degree apprenticeships. All year 12 students are expected to attend.

Lanyards and student entrance

Please ensure you bring your lanyard to sixth form every day and have it displayed around your neck. If you have lost it, then you will need to buy a replacement card at a cost of £5 via Parent Pay. If this is the case, please speak to Ms Watson.

Also, a reminder that students should not enter/exit the sixth form through the reception. Please use the student entrance/exit doors only.

Celebrating the coronation

On Friday 5th May we will be holding a tea party celebration event during lunchtime for the King's coronation beginning at 1.35pm in Café 6. Further information will follow in tutor time next week regarding which food items to bring in, as we would like as many students as possible to bring in one item to contribute. It will involve food, drinks, music, decorations, and it will be a lovely way to celebrate together as a Sixth Form.

Opportunities for you

A/A*revision days for Biology and Chemistry

Lincolnshire Training Hub are holding four free individual sessions taught by current medical students for A-Level Revision, to help prospective healthcare students reach the top grades every evening between the **9th and 12th of May**. They will be based for Biology and Chemistry A-Levels.

The sessions will run as follows:

9th of May: A-Level Biology Session 1

10th of May: A-Level Biology Session 2

11th of May: A-Level Chemistry Session 1

12th of May: A-Level Chemistry Session 2

between **18:30 and 20:00** each evening on zoom. Which topics will be included in which days will be emailed around, and updated on our website on the 5th of May.

Each session will include revision top tips, breaking down exam questions with how to answer to hit all the mark points and how to tell what the question is asking, as well as teaching on topics pre-selected by students. **Please note that the content will be based on students aiming for A/A*.**

To submit your interest and receive the log in links, and to also let us know which topics you would like us to cover, please fill out the google document
