

Dear Parents and Guardians,

As part of our extra-curriculum programme, we have signed up to EvolveClubs which will enable us to monitor and promote all our many clubs and as such you will receive a series of notifications, from EvolveClubs.

These notifications will be informing you of the different clubs that are available to our students. Please speak to your child about the range of different clubs that are on, and where, if they would like to join a club then please sign them up or register their interest.

EvolveClubs is set up as a live register, and so you can add or remove your child as you see fit, and we can track their attendance at the club. Teachers can still manually add students, so please do not worry if you do not manage to sign your child up. The feature exists within EvolveClubs, but it is not a requirement for you to sign your child up.

Due to the live nature of EvolveClubs, and the proactive way that the school seeks to provide additional opportunities to students, you will occasionally get 'New Club' updates as we promote to you what new clubs are available.

Our programme names:

- Key Stage 3 – Extra Curriculum
- Key Stage 3 – Music Clubs
- Key Stage 3 – Sports Clubs
- Extra Curriculum Clubs – all year groups
- Sports Clubs – all year groups
- Key Stage 4 – Sports Clubs
- Key Stage 4 – Music Clubs
- 11 – Extra Revision Lessons (period 6)
- Inclusion clubs – these are only for students with specific learning needs.

If there is a club that your child would like to join, that is currently not available, please do let me know and we will look, as a school, at whether we can begin this club.

I hope that your child is taking advantage of the many activities that we have on offer.

Yours faithfully,

Ms. M. Gladen (Assistant Headteacher – raising aspirations).
