Dear Parents/Carers

KS5 Options Information Evening for Parents

You may be aware, that it is now a government requirement for young people to stay in some form of education, employment, or training until their 18th birthday. As your child is now in year 11, it is important to consider the range of options available to them, once they have finished their GCSEs.

I write to invite you to attend an information evening on Thursday 6 October, 6pm. During the event, you will hear from a range of local providers, including:

- Braintree Sixth Form
- Colchester Institute
- Chelmsford College
- Writtle University College
- Stansted Airport College

There will also be presentations made by our independent school career's advisor and Aim Apprenticeships.

This event is for parents only. All students will receive the relevant information during PDT lessons and will complete research and work to support them in making the right choice based on their interests and abilities.

If you wish to attend, could you please register for the event, using this form:
