

# Notley High School & Braintree Sixth Form

Headteacher: Miss M Ryan

10<sup>th</sup> November 2022

Dear Parents/Carers

## KS4 Edexcel Science Revision Guides

The Science faculty will be placing an order for Science related CGP GCSE revision guides. The revision guides contain all the key information that students need to know for their GCSE exams. Students in the past have found these incredibly useful. They are a good source of information to support with homework, end of unit tests and to make notes for missed lessons. As a school, we can purchase these direct from CGP for a reduced price, which we pass onto students.

Depending on whether your child studies Combined Science or Triple Science will depend on the route to take.

The Combined Science book will come at a cost of £6.00.

The Triple Science pack (3 books) will come at a cost of £9.45.

If you would like to purchase a revision guide for your child, please make the appropriate payment on your child's ParentPay account by **Thursday 15th December 2022**. Revision guides will be given to students in their lessons when they arrive.

Combined Sciences students will need to purchase either the Combined Sciences Higher revision guide or a Combined Sciences Foundation revision guide. If your child is unsure which revision guide is the most suitable, they should discuss this with their class teacher.

Yours faithfully

Mrs B Pett

Science Excellence Lead.
