

Apollo Vets Black Notley

We have had a polite request from the local veterinary service to ask parents to not use their car park as a location to pick up students at home time. This is causing congestion and issues for their business.

European Day of Languages – House Competition

In MFL we are celebrating European day of languages on Monday 26 September. The canteen are creating a special menu. There will be Italian bolognese pasta bake, pepperoni paninis and English sausage baps as well as Dutch apple cake and the usual French pain au chocolat. Also, remember to get baking over the weekend and enter our International bake off. Cakes can either be based on a recipe from another country or be decorated to represent another country. Be as creative as you like! Please label your cakes with your name and tutor group and bring to the library before school and the cakes will be judged at break.

Non-student day

In response to the bank holiday on Monday 19th September we have rearrange the planned non-student day to be Monday 28th November.

Email communication

Please can we request parents/Carers do not email into the school using your child's school email and please do not ask your child for their school username and password.

If you are experiencing any IT problems, please email itsupport@notleyhigh.com or if you have any data protection concerns you can email the trust's data protection officer: dpo@bridgeacademytrust.org

Uniform

Just a reminder concerning the school uniform expectations as we move into the colder months. Hoodies and tracksuit tops are not part of the school uniform. The link below provides the expectations and arrangements for the colder weather.

School Photos

Whole school photos were finished last week and are in the stages of being processed. Proofs will be sent home once they are available and after that the option to buy will go on parent pay.

Lockers

We are working on allocations by year group and when it is each student's year groups' turn, they will be taken in tutor time to the lockers to be allocated one. Following that, they will then be given a personal padlock code for them to use.
