

Unifrog – Virtual Work Experience

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, all students in Years 7 to 13 have access to the excellent website, Unifrog.

Unifrog have recently added virtual work experience opportunities to the platform. Students can now search for virtual work experience placements at top employers around the world using the 'Special Opportunities' tool.

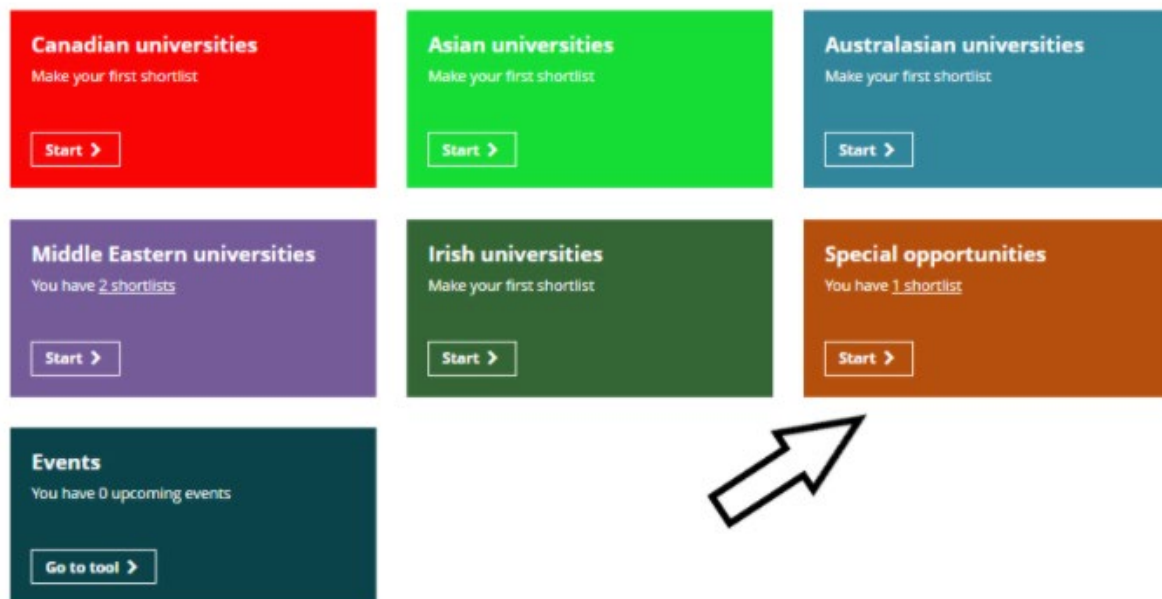

Some of the FREE opportunities include:

- JPMorgan Chase Investment Banking Virtual Experience
- Accenture Virtual Experience Programmes
- Clifford Chance Business and Human Rights Global Virtual Internship
- HM Government Cyber Discovery Virtual Work Experience

Students can also find paid-for programmes such as InvestIN's Future Doctor Programme.

How do I find these opportunities?

Log into Unifrog.org. The virtual WEX placements are all on the Special Opportunities tool. You can find the tool in the 'Searching for opportunities' section of the student homepage:

Once you have selected which country you are from, the tool asks which country you are interested in searching opportunities from. To find all the virtual WEX opportunities, select '**Online/ Worldwide**

Which country are you interested in?

Select a country that interest you:

Select country:

UK - 1305 scholarships 175 activities

USA - 939 scholarships 43 activities

RoW - 233 activities

Online / Worldwide - 116 activities

Australasia - 45 activities

Canada - 14 scholarships 14 activities

Asia - 27 activities

Europe - 25 activities

Middle East - 1 activity

You then select up to 10 subject areas you are interested in and click through to the longlist. From here, you can create a shortlist of up to 10 opportunities. Your shortlist gives you information about what to expect from the placement and how to apply for it:

Clifford Chance Climate Change Global Virtual Internship

Clifford Chance
Virtual work experience

Opportunity site Institution site

In a nutshell

Climate change is becoming a major business risk, and the consequences of inaction for businesses are severe. In this programme you will complete tasks focused on climate change risks that our clients may face. You will learn how you, as a lawyer, can advise clients on how to approach such challenges. This Climate Change Virtual Internship has been created by leaders at Clifford Chance. You'll receive instructions from the Clifford Chance team and compare your work with real model solutions from Clifford Chance. Throughout the internship, you'll develop deep insights into what it is actually like to work at Clifford Chance. This programme is self-paced. It takes 5-6 hours to complete this Virtual Internship.

Relevant subject(s)
Environmental and earth sciences, Law and law studies

Institution
Clifford Chance
We are one of the world's pre-eminent law firms, with significant depth and range of resources across five continents. As a single, fully integrated, global partnership, we pride ourselves on our approachable, collegial and team-based way of working.
